

**CITY OF HUNTINGTON BEACH
PUBLIC WORKS COMMISSION
REQUEST FOR ACTION**

Item No. PW 08-31

SUBMITTED TO: Chairman Rivera and Members of the Commission

SUBMITTED BY: Travis K. Hopkins, PE, Director of Public Works 

DATE: September 17, 2008

SUBJECT: Reconstruction of Various Residential Streets; MSC-455

Statement of Issue: The scope of work for MSC-455, Reconstruction of Various Residential Streets, includes additional streets budgeted in fiscal year 2008/09. Plans and specifications are in final preparation. Upon approval from the Director of Public Works they will be ready for bid. Recommendation of this project is requested.

Funding Source: Four million dollars is budgeted for this project in Measure M Funds, Pedestrian Improvements, Account No. 21390004.82300. The engineer's estimate is \$3,976,000.

Recommended Action: Motion to recommend to the City Council the approval of MSC-455, Reconstruction of Various Residential Streets.

Alternative Action(s): Deny approval and recommend an alternative action.

Analysis: Plans and specifications are in final preparation for the reconstruction of streets from the Tree Petition Lists. When originally presented to the Commission on May 17, 2008, this project included five streets. By combining funding over multiple years the project is expanded to include an additional 18 streets for a total of 23 streets. The scope of work includes removal and replacement of concrete sidewalks, curbs and gutters, and of identified street trees. Reconstruction also includes resurfacing of the asphalt roadway.

Each of these streets is ranked on the lists established by the Tree Petition program. As directed by City Council in 2007, available funding for Tree Petition streets is allocated as evenly as possible to both the original, chronological list, and to the new list that rates streets by condition. The following table summarizes the affected streets and their place on each of the petition lists.

G-1'

Street	District	Rank on Chronological List	Rank on Condition List
Prelude Drive	155	73	1
